Subject: RE: 7-21 Station Road Cheltenham - s53X Audit

Hello Rory

Thank you for sending through the Draft PSI – may I say that it was a pleasure to read such a well written and documented PSI report, as Auditor I see a lot of reports that fall well short of the required standards and yours is exemplary, well done.

We have provided some comments in the attached Issues Register which you may like to consider when finalising your PSI report.

We await your confirmation for a project kick-off meeting time.

Regards

Peter Mirkov
